

# DESIGN CHANGES

**\* One design change is included in this service. Additional changes must be approved by your rep.**

**1 Option #1 - sketch any changes on the original floor plan. Take a smart phone pic or scan them.**

**2** Option #2 - If the changes are simple, then just list them on the online submittal.

**3** Click: **DESIGN CHANGE ONLY** and enter the design number from the original design.

**4** Upload any plans with design change notes and/or outline the changes on the submittal. Click the **SUBMIT** button.

**5** You'll receive a confirmation with the design completion date.

**6** In two days you'll receive a full design and quote package. The 2020 file is also included for those who'd like to continue designing on their own. Here's what's included in the design package: (color drawings, floor plan, wall views with measurements and quote)
